

3-27-2020

Dear Valued Customers,

We hope that you, and your families are staying healthy and safe as the situation with the Corona Virus continues to develop. The spread of the virus is impacting the lives of everyone. Guidelines and regulations are updated daily. We continue to closely monitor the situation so that we can make our facility as safe as possible for our employees and customers.

**Below are some of the facilities enhanced procedures**

- 1) The restaurant will be open offering take out, and delivery onto the golf course.
- 2) We placed pieces of PVC Pipe in the cups effectively raising the bottom of the cup. This makes it much easier to retrieve your ball without touching the cup or the stick
- 3) We will not allow more than 7 people in the golf shop at any time
- 4) We removed all rakes, ball washers and sand bottles, reducing contact points.
- 5) Interior doors are remaining open, so that handles and etc. will not have to be used to move within the building
- 6) High contact areas; counters, key pads, door knobs, light switches and railings are being cleaned and sanitized on a regular basis
- 7) Golf cart steering wheels, forward/reverse levers, cup holders etc, are being cleaned before and after play
- 8) Any staff with flu-like symptoms or sickness will be asked to stay home
- 9) All staff has been educated and encouraged to thoroughly wash hands and to maintain appropriate social distancing. We also will be wearing protective gloves when possible

**Below are some of the things we are asking for from our customers**

- 1) If you are feeling ill or displaying any flu-like symptoms, please stay home
- 2) Help us by disposing your own trash. This includes trash from carts, cigarette butts and etc.
- 3) Wash your hands frequently
- 4) Avoid gathering as a group before and after play.

As restrictions and guidelines change, we will continue to review our practices to make our facility as safe as it can be. We will use email and our website to keep you informed. Thank you for your continued support and we look forward to having many bright sunny days on the golf course in the coming months.

Sincerely,

Blue Hills Golf Club Staff
